# **Co-option of Councillor**

Since the start of delivery of the Parish Newsletter on the 23<sup>rd</sup> September, the Clerk has been contacted by two people interested in being co-opted onto the council. As the delivery of the newsletter had not been finished, the Clerk responded that until delivery were complete and the possibility that other interested individuals may come forward that no decision would be made.

After discussion with the Chairman and as neither of the applicants had attended a Parish Council meeting he suggested that the invited both applicants to attend the October meeting as members of the public. This would allow the two applicants an insight into the workings of the Parish Council and allow an informal meeting prior to the selection process to decide which applicant will be co-opted.
